GRADE 6 GRADUATION MEETING
Calling all parents of grade 6 students. There is a planned Graduation meeting on the first Thursday back from holidays – Thursday 14th July at 4.00 pm in the grade 4-6 classroom to start making arrangements for this year’s graduation.

VISIT FROM BUNNINGS
Yesterday we had a visit from Emily, who works in Sustainability education at Bunnings in Bayswater. She talked to the Prep-grade 3 class about the value of having a worm farm. Maintaining a worm farm is relatively easy and she told us about a few interesting facts about worms. Worms breathe through their skin, have no eyes, ears or lungs, and give birth to their young through the white ring around their middle, called a saddle. They are quite shy and need to be handled with care as they bruise easily, dislike the light and prefer warm, damp homes. Armed with this information, the P-3 are now dedicating ourselves to maintaining our worm farms. Emily donated 2 worm farms to the school and we have a total of 1,000 worms! Let’s hope we can breed many more of these wonderful creatures who are great little fertilisers of our soil. She also gave the children some garden gloves and composting bins which are badly needed throughout the school. So, thank you Emily!

HOT FOOD DAY FUNDRAISER
Thank you to everyone who supported our fundraiser! Most of the school and staff supported our hot food day and we managed to raise about $128! Subtract $24 for the purchase of food; it leaves us with a profit of about $104! Thank you to those who donated extra money to make this fundraiser so successful. Students in JSC worked collaboratively with a good deal of patience and goodwill to ensure meals were delivered in a timely manner. Thank you also to Makayla and Kira - our Year 10 work experience students, who supported us throughout the process. Thanks also to Mr. Beale who helped us all with the cleaning.
up! It has been a pleasure working with such a committed group of students – Amelia, Riley, Alexander, Aaron, Ben, Danielle, Scout, Olivia and Danny. (Ellena is on holidays).
We are planning to donate the money raised to help children in communities that have been affected by war or severe storm damage.

Bronte Passingham: Here’s your lunch Mr T delivered to your door and more importantly prepared with love.

Hannah: What are you talking about Bronte?

Wynee: Hey wait ...did you say smile Mr T?

Next week will be our last cooking session for the term.
