Our second session continued yesterday. The grade 5/6 s continued with their pinch pots exploring ways of turning pinch pots into sculptures and animals using joining techniques and slip. They also prepared glass using cutting tools for next week’s lessons. The P-4s started with clay making basic pinch pots. Once again we’re looking forward to next week’s follow up sessions.

A.I.S NOTICE BOARD
Please note at the moment we have received plenty of glass bottles and jars and no longer need further donations. Thank you to everyone who donated jars and bottles.

Calling all parents, please save any shoe boxes and bring them to school. We need them to create camera obscura for our extension art program.

Thank you Mrs Borland.
