I’m going to talk about my friend Ellena and how we are friends.

One of the things we do together is talk. We always talk. Sometimes we talk about weird things, like last week, we had to go to a High School on a bus. On the way back there was a girl that was behind us. The whole time I said to Ellena, ‘I wonder if she has any food in her car.’ That’s only one of the things we talk about.

Ellena is kind of a sister to me because I can tell her anything and she doesn’t judge me. Also if I want advice, and if she has some, Ellena will give it to me. If I’m over reacting she will tell me straight.

I can’t tell you how many times we laugh in a day.
When we laugh it’s like the sound of a person screaming and most of the time my stomach is in pain and I have to get air to breathe.

We have the best time ever. That is the story of my life at school!!
