Wandin/Silvan Field Day
Don’t forget to pop in today or tomorrow and visit our stall. Check out our menu below.

SCHOOL HATS

It’s term 4 and that means school hats are back & to be worn at all play times. Please ensure your child’s hat is washed and at school ready for use.

140th ANNIVERSARY

Silvan Primary School is celebrating our 140th Anniversary on Friday 18th of November & everyone’s invited!

Founded in 1876, our small school has had a strong tradition in providing tailored education for its students, with a focus on sustainability, the environment and inclusive learning.

To celebrate this historic local milestone, Silvan Primary will be holding a celebration & open day on Friday the 18th of November. Some of the exciting activities will include stalls, carnival side shows, draught horse display, steam engine display, blacksmithing, chainsaw carving, car boot stalls – and loads more!

If you are a past student, we invite you to leave a permanent mark, by creating a clay hand print which will be added to our wall of students.

To be involved or for more information please contact school Principal Damian Tirchett on 0425 847 070. We look forward to seeing you there!

See flyer attached to this week’s newsletter.

SPORTING SCHOOLS

It’s back after two terms hiatus. Wait no longer we finally have our after school sports program booked for term 4. The following sports are available this term. Please complete the form below to secure a spot.

Rugby League – National Rugby League Limited

Rugby League Wednesday

Tennis Monday

Signed: ........................................Date..............................................

SCHOOL PRODUCTION

Both grades are hard at work preparing for the School production to be held at the Silvan hall on Friday 9th December. If there are any talented seamstresses out there that can assist Mrs Sutherland with costume making please contact Mr T as soon as possible so that we can prepare costumes in readiness for the big show.

PREP TRANSITION

Don’t forget the first session for 2017 Prep Transition program kicks off on Fri 21st October with Mrs Prokopiwskyi from 9.00 - 11.00 am. See attached program

GRADUATION BALLROOM DANCING

Commencing Friday 28th October our grade 5 girls and grade 6 students will be starting their training in ballroom dancing in preparation for Graduation night later this term. Once again we rely on the services of Nichola’s mum Cassie and her dance partner Gavin to provide the training and support for our talented dancers.

ARTISTS IN SCHOOLS

Students selected a variety of spices and school grown herbs and created pot potpourri sacks, decorated our two bonsai pots, and prepared rocks for next week’s lesson.
**Oral Language Program P-3**

Prep-grade 3 students have been participating in an oral language program to support them in participating in classroom discussions and to help them to organise information. Developing good expressive and language skills is critical for all learning.

Specifically, we have been working on answering questions that relate to

<table>
<thead>
<tr>
<th>Who? (needs a person in the response)</th>
<th>Where? (location, locating objects on a map)</th>
<th>When? (a time of day or in response to a need)</th>
<th>What? (answering riddles, e.g. I am a place with lots of books that you can check out and take home.)</th>
</tr>
</thead>
</table>

This program also supports students to enrich their writing by adding extra details to the events they are describing.

In the next few weeks, we will be working on **Which?** and **Why?** questions. Why questions can be quite difficult because it requires students to think abstractly and relate the questions to a previous experience. This may be more challenging to the younger students. All students seem to enjoy this program and come up with some novel answers! Thanks to Mrs. Swankie who is supporting us in the delivery of this program.

**Hughes News**

**ICT**

On **Tuesday 11th October** all students were involved in the Cybersmart morning. Students were placed in house groups to complete a Cybersafety Knowledge Quiz. Do you know what phishing is? Ask your child. Students also created Superhero posters with cybersafety tips.

*by Ryley H and Riley B*
**German**

Students in Grade 4/5/6 created a ‘Stundenplan.’ (a weekly timetable)

Grade P/1/2/3 students revised simple German greetings. They used their puppets to create a short presentation to the class using German dialogue. Students can access the following website online on a PC to practise their German vocabulary.

**Phys Ed**

This week students in Grade P/1/2/3 practised their overhand throw technique in drills and minor games. Grade 4/5/6 students created their own games using a frisbee.

The P/1/2/3 students wrote a post about Password Protection on the class padlet. Some students also saved a Word document as a PDF and uploaded it to Padlet.

To view their work, log on to the following URLs using the password your child has been given.

P/1:  
http://padlet.com/Coffee16/Prep1

Gr2/3  
http://padlet.com/Coffee16/Grade23

Grade 4/5/6 students completed their Common-sense Media Unit on Digital Citizen Pledges.
